Forecast for Saturday 29 Jul 2023

Weather: Clear spells and mainly dry at first with scattered showers spreading northeast overnight. Sunny spells with scattered showers at first this morning, followed by a brief drier spell before scattered showers build across most parts through the afternoon bringing the chance of some heavier falls and thunder.

Chance of cloud-free hill tops above 800m: 70%

Low Cloud and visibility: Patchy cloud 400-500m at first rising above summits through the morning, falling to 900m in heavier afternoon showers. Visibility mostly good, falling moderate to poor in heavier showers.
